

On the Green

EDWARD MINER GALLAUDEY MEMORIAL LIBRARY
GALLAUDEY COLLEGE
WASHINGTON, D. C.

VOL. III, NO. 33
July 10, 1974

ASSISTANT DIRECTOR APPOINTED AT KDES

Carl Kirchner has assumed the position of assistant director of Kendall Demonstration Elementary School. Prior to coming to Kendall, Carl was consultant in education of the multi-handicapped in the California State Department of Education.

A son of deaf parents, he has had extensive experience in the field of education of the deaf and has served as an assistant professor of special education at the California State University at Northridge, dean of students at the New Mexico School for the Deaf and principal of the Oklahoma School for the Deaf.

AROUND AND ABOUT

--The Linguistics Research Laboratory has had a number of visitors in the past two weeks: Dr. Hanna Ultowska (Collier Speech and Hearing Center), Dr. Libby Kumin (University of Maryland), Dr. Edith Kaplan (Boston V.A.) and Dr. Ronnie Wilbur (Childrens Research Center, Illinois).

--The Deaf Community Open, a putt putt tournament, will begin on July 15 and continue every two weeks through October at the Rockville Putt Putt (130 Rollins Avenue). Please check in with Ira Diamant at the course on the 15th at 9:15 p.m. A \$2 fee will be collected at registration.

--Buttons, buttons and more buttons are needed by Horty Auerbach. Horty has been turning out dolls for a project sponsored by the IAPD and desperately needs medium size buttons ($\frac{1}{4}$ " to $\frac{1}{2}$ " in diameter) to complete the project. All the dolls are fitted with hearing aids and the buttons (two matching ones, please) are used for the ear pieces).

--Teaching English to the Deaf (TED), a practical journal for all teachers of the deaf published by our English department, is now available on subscription. Please send your request plus \$4 to Eugene Bergman.

DR. MERRILL TO MAKE TV APPEARANCE

Quota International, a service organization of business and professional women, has invited Edward C. Merrill, Jr. to appear on a special TV program, "They Grow in Silence: An Evening on Deafness," to be presented on Sunday, July 14, by KPLR-TV, Channel 11, St. Louis.

Originally produced in the Baltimore-Washington area in 1972, the three hour program combines a film presentation and a question and answer period with a distinguished panel of experts. Dr. Merrill will represent Gallaudet College on the panel.

Quota International has been conducting a unified service project entitled "Service to the Hearing and Speech Handicapped," and they are presenting the program as a feature of their annual convention.

ON THE ROAD

--Will Madsen, Al Pimentel and Carl Kirchner will be participating as professional instructors in the Delgado Workshop on Community Interpreting at Delgado Junior College in New Orleans from July 14-19. The workshop is designed to meet the need for interpreters who can serve the deaf community in medical, legal, social and educational settings.

--James Woodward was in San Diego for two weeks consulting at the Salk Institute for Biological Studies in its sign language project, which is under the direction of Ursula Bellugi.

--Robbin Battison, also of the Linguistics Research Laboratory, gave a talk on some of the psycholinguistic aspects of sign language and manual behavior to Dr. Doreen Kimura's staff at the Psychology Department, University of Western Ontario.

--Al Pimentel and Roz Waring directed a series of seven sectional meetings on a wide variety of topics at the NAD Convention in Seattle.

--Therese Absher from the Counseling and Placement Center has been accepted to attend National Training Laboratories' Basic Human Interaction Laboratory Workshop in Bethel, Maine.

WORKSHOP FOR PARENTS BEGINS

A two-week "Learning Vacation" started Monday for 13 families with deaf children. Jointly sponsored by the Center for Continuing Education and the International Association of Parents of the Deaf, the combination workshop-vacation has as its theme: "How to Communicate with your Deaf Child."

Bruce and Carol Godsave, teachers from the Rhode Island School for the Deaf, are conducting the workshop. Emphasis is on practical, everyday activities --- how to read a story to a child, how to learn and teach a child total communication, etc.

The families, who are from Oklahoma, Pennsylvania, Tennessee, Michigan, Maryland, Iowa, New York, Florida, California and Israel, are being accommodated in Clerc Hall.

SENATOR CLARK VISITS CAMPUS

Senator Richard Clark, who has recently been appointed by Vice President Gerald Ford as the Senate's representative on the Gallaudet College Board of Directors, visited the campus on Monday. The junior Senator from Iowa, Mr. Clark is replacing Senator Hubert Humphrey on the Board.

The Senator, who was a teacher for a number of years before entering politics, was very interested in what he saw at the College and eager to learn how Congress can more effectively assist deaf people. Senator Clark hopes to return to Kendall Green and visit our Pre-College programs.

PAM YOUNG AMONG WINNERS AT PAGEANT

Pam Young, the current Miss Gallaudet, was selected as first runner up in the Miss Deaf America Pageant. The title was won by Mary Pearce of Mississippi.

Ms. Pearce, a graduate of the Mississippi School for the Deaf, is secretary of the Mississippi Association of the Deaf.

PRESENTATION ON DEAFNESS PLANNED

Mr. Martin Gerra has joined the President's Office for one year through the IBM Faculty Loan Program. As a special assistant to the president, he will be responsible for planning and developing a Presentation Center on Deafness.

The Center will address itself to answering basic questions about deafness and Gallaudet's role in dealing with these problems.

DEADLINE FOR NEXT ISSUE OF ON THE GREEN:
Monday, July 24!
